The Department has provided funds to Tier A municipalities for the implementation of activities required by the Tier A NJPDES Municipal Stormwater General Permit (NJ0141852). 75% of the funds were released upon receipt by the Department of a signed agreement, the remaining 25% of the funds will be released upon receipt by the Department of this Certification documenting completion of the required activities. The municipality must document completion of the activities and submit this Certification on or before April 1, 2006.

**Certification**

I certify under penalty of law that this Grant Certification was prepared under my direction and supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate and complete.

I certify that I am aware that the Tier A Grant Application required, as a condition of the grant, that certain activities needed to be completed. These activities were to:

- Prepare and implement a written Stormwater Pollution Prevention Plan that describes the municipality's stormwater program and serves as the mechanism for the implementation of statewide basic requirements (within 12 months from effective date of permit authorization);
- Adopt and reexamine a municipal stormwater management plan (or adopt amendments to an existing stormwater management plan) in accordance with N.J.A.C. 7:8-4.2 (within 12 months from effective date of permit authorization);
- Adopt a municipal stormwater control ordinance(s) in accordance with N.J.A.C. 7:8 (within 12 months from the adoption of, or adoption of amendments to, a municipal stormwater management plan);
- Adopt a Pet Waste Ordinance (within 18 months from effective date of permit authorization);
- Adopt a Litter Ordinance (within 18 months from effective date of permit authorization);
- Adopt a Yard Waste Ordinance (within 18 months from effective date of permit authorization);

- Adopt an Improper Waste Ordinance (within 18 months from effective date of permit authorization);
- Adopt a Wildlife Feeding Ordinance (within 18 months from effective date of permit authorization); and
- Adopt an ordinance prohibiting illicit connections to the MS4 (within 18 months from effective date of permit authorization).

I certify that these activities have been completed. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for purposely, knowingly, recklessly, or negligently submitting false information.
